Hello all,

As you read this month's issue of the Shop Rag, Paulette and I will be somewhere in Italy. As we travel around we always say to ourselves "been there done that" and not to go back but go somewhere else and see something new and interesting. However, on our first trip to Italy we fell in love with the country, its people, history and buildings. There is a traditional legend of the Fontana di Trevi that if visitors throw a coin into the fountain, they are ensured a return to Rome. Well, we did throw our coins in and now we return.

You may remember we changed our club's By-Laws regarding election of officers. We now nominate in October and hold elections in November with the new Board taking over the first of January. I mention this so you may start thinking about nominations next month. We have some very capable members that would serve our club exceptionally. Let's all start thinking about the various offices and who you might like to nominate. But don't rule out yourself; serving your club is a rewarding experience. If you have someone in mind that you would like to nominate for an office, discuss your support with them first as they may be a little tentative about holding a leadership position. Sometimes people just need to know that others recognize their strong suits and support them as a leader.

Bill Mayfield, your club's Vice-President, will be conducting the September meeting. Bill looks forward to seeing you all attend the meeting on the 22nd and asks that you remember our Tuesday morning breakfasts.

Thanks,

Charlie
