OVER THE HILL GANG - TEMECULA VALLEY April 2016

The Shop Rag

President's Message

As we move along throughout this year, our club is in great financial shape and growing strong in membership. Now doesn't sound like a "State of The Union" address opening? But the facts are that we are in good shape. Since January, we have gained six new members and are below our budget spending level. Members are volunteering for committees, show attendance is good, breakfast gatherings draws 12-18 each week and meeting attendance is a packed house.

We have several events coming up that our membership should look forward to. First, on May 21 st. is another Mystery Lunch which is being promoted as a "you don't want to miss this one". Then on June 10th. is our annual OTHG at Cruising Grand. This has always been a fun evening with priority parking on Broadway, dinner at Filipi's, viewing the cars and of course cruising up and down Grand.

Moving into this summer our picnic committee has researched sites and has tentatively selected Live Oak Park in Fallbrook. The date of July 23rd. has also been tentatively reserved. More information will be forthcoming on this event as we draw closer to the time. Other planning is currently being studied on a Progressive Dinner and our Christmas Party. So, keep your calendar's handy as dates for events are constantly coming in.

It's always an enjoyment and pleasure to serve you as President and look forward to our friendship.

KEEP ON CRUSING.....
