TOO HOT TO HOT ROD!!

Not too much is happening around town. Car shows seem to be scarce right now. There is a show on August 29th at Camp Pendleton Marine Base. It's called "The Barracks Bash". It's on a weekday, Wednesday at 4:30 till 8:00. No trophies just a way to show our Marines we care. They would like to have any kind of a cool car come out. They will feed us too. So If anyone is interested please contact Dennis Hauswirth (Pronounced House Worth) at rejoicere@sbcglobal.net or call 1-760-519-2961 as soon as possible **Before August 20th . He would like to get a head count. He will let us know if we can enter through the Fallbrook gate, he is working on that. Also let your fellow Over The Hill Gang Members know by contacting Earl Oakden so he can send out a reminder.**

If we don't have 32 cars by then we will purchase the remaining spaces in hopes that some of our members just don't want to commit at this time, and will later.

Merchandise -Leilani Hosking said she has shirts and hats available.

Christmas Committee Report- Diane Oakden has been busy researching the best and cheapest places for us. Pala Mesa was too expensive (\$56 per person), Hidden Celebrations was really nice for a ladies shower or tea, but not big enough for our group. Bailey's in Old Town was \$40 per person but could only accommodate 48 people maximum. Francesca's seemed to be the ideal place for \$40 per person and 4 items to choose from. It was decided that Diane go ahead and reserve Francesca's for our Christmas Dinner

Membership - Charlie reviewed the results of the survey that was on the website. He asked all 3 main points regarding possible reasons for membership decline. 1st do you want the must attend 3 meetings for all new applicants? 2nd question was, do you want to do away with new members paying dues for first year? The third question was do you want to do away with the wording of American made cars only? A vote was taken on each question. Those who wanted to maintain “as is” to raise their hand and a motion was made on each question to keep each of the by-law “as is”. The votes were unanimous to keep “as is” on each question. Motion was seconded and a unanimous verbal “eye” vote was made.

Sunshine Report- Any one who had information on a member was asked to give an update. George Long had a triple by pass and is recovering, calls and cards would be appreciated.
