Progressive Dinner - Karen and Craig volunteered to do dessert at their house if no one else can do it. It was suggested by Jerry Macenas that we change the name of the dinner to "Escalated Dining", rather than Progressive (too political) ha! ha!

Mystery Lunch - A BIG THANK YOU to Charlie for the Mystery Run to Warner Springs Resort, everyone agreed that week days were the best time to go out to lunch, we have better parking and no lunch rush.

Sunshine - Paulette informed the club that Judy Jessop has a bleeding ulcer. George Long had another surgery. Judy, (our long time waitress at Richies), had to go on disability due to health problems, she stopped by to say hello to all of us, it was suggested that we send Judy a get well card. Everyone was concerned about Leilani and Jim, but Fran Ness told us they went to the River with family.
